

Ovo

Curved modular lounge — Australian made

Configurations

Configuration	Modules	Layout
Single module	1	Curved seat with backrest
Arc	2–3	Gentle curve
Half circle	4	Semicircle
Full circle / horseshoe	6–8	Enclosed or open ring

Construction & Features

- Modular curved design — modules link into arcs, semicircles and full circles
- Solid Australian pine internal frame for lasting strength
- Made in Australia for commercial and education environments
- Upholstered in commercial-grade fabric or vinyl — 70+ options
- Two-tone upholstery combinations available (e.g. vinyl seat, fabric back)
- Light enough to reconfigure, tough enough for daily school use
- Ideal for libraries, learning commons, reception and breakout zones

Dimensions (mm)

Width (per module)	1045 mm
Depth	710 mm
Back height	780 mm
